Mrs. Effie Manley,

Dear one:—

I am writing you concerning the matter in which you and Dr. B. B. Martin were discussing.

We can take care of Gorman's with two men in a room at reasonable rates.

Our Hotel is very nice, with steam heat, hot water, and bath; just around the corner from Dr. Martin's office.

We also have the Rosary Luncheonette with home cooked food of all kind, which we will try to satisfy and please you. When in Memphis stop and give us a trial.
I thank you.

P.S. For further information
Consult with Dr. B. B.
